AN EXOTIC OASIS AT THE FOOT OF THE ROCK

In the heart of a lush palm grove of 6 hectares, our event space enjoys an absolute calm inviting both reflection, relaxation and celebration.

No need to organize an event in the tropics, just invite your hosts in the South of France !

FREEDOM !

The place is equipped with catering and sound system. You keep the choice of your providers! We can open our address book of service providers with whom we had the best experiences, or we can offer you "turnkey" (reserved for business customers).

ARE YOU AN INDIVIDUAL ?

Our Palm grove opens reception areas to celebrate the greatest moments of your life: private parties, weddings, birthdays, baptisms ...

The outdoor spaces will be the setting for your most beautiful moments: the peninsula, the lake, the exotic bar, the gardens at the foot of the majestic Rocher de Roquebrune ...

ARE YOU A COMPANY ?

The environment at the foot of the Rock and near the river and the sea allows you to combine business and pleasure and offer your teams a range of activities: canoeing, hiking, mountain biking, petanque, stroll horse, wine tour ... all assets for your events.

Finally, this tropical area can receive up to 350 people.
